Good Morning,

Flagging for information that earlier this morning, a truck convoy has assembled north of the Emerson Port of Entry (POE).

Approximately 100 commercial vehicles are participating. Also involved in the convoy is a mix of other vehicles consisting of pick-up trucks, cars and agriculture tractors. The vehicles were lined up on the shoulder of Highway 75 facing south. They were using the turn around lane located just before the POE to loop and go northbound.

Vehicles that are released from the Primary Inspection Line (PIL) are able to proceed north as the convoy is letting vehicles in.

So far there has been no impact to the operation.

Thanks,
Robyn
